Sir:

Further to the Amendment and Petition for Extension of Time filed on January 8, 2010, Applicants wish to identify and correct two obvious errors in the Remarks of the January 8 Amendment.

On line 22 of page 4 of Applicants' January 8 Remarks, "60°C" should read "-60°C," which is consistent with the second paragraph of page 6 of Applicants' Remarks, which state "a glass transition temperature (Tg) of -60°C to -20°C." In addition, "arrive" should be "arrived" at line 7 of page 6.

It is respectfully submitted that this application is in condition for allowance.

Favorable reconsideration and prompt allowance of the claims are earnestly solicited.

Should the Examiner believe that anything further would be desirable in order to place this application in even better condition for allowance, the Examiner is invited to contact the undersigned at the telephone number set forth below.

Respectfully submitted,
